CloudSync Pro Customer Support Knowledge Base

CloudSync Pro Product Information

CloudSync Pro supports real-time synchronization across 5 devices, provides 1TB of storage, supports offline mode, and maintains version history for 30 days.

Subscription Pricing

The Basic plan costs $9 per month and includes 100GB storage and 2 devices. The Pro plan costs $19 per month and includes 1TB storage and 5 devices. The Business plan costs $49 per month and includes 5TB storage and unlimited devices.

Refund Policy

Customers can request a refund within 14 days of the charge.

Password Reset

To reset a password, open the login page, select Forgot Password, and enter your email address. The reset link expires in 1 hour.

Troubleshooting Sync Issues

Check your internet connection and make sure the app is updated. Then sign out and sign in again. If the problem continues, contact customer support.

Supported Platforms

CloudSync Pro supports Windows 10 or later, macOS 12 or later, iOS 15 or later, Android 10 or later, and Linux Beta.

Data Security

CloudSync Pro uses AES-256 encryption at rest and in transit. The product is SOC 2 Type II certified and uses a zero-knowledge architecture.

File Size Limits

Individual files can be up to 10GB on Pro and Business plans and 2GB on the Basic plan.
